"While a resident of York County, Pennsylvania, he enlisted July 1, 1776, served in Captain Quiggle's company, Colonel Swope's Pennsylvania regiment, and was discharged November 16, 1776. He served in 1782, two months in Captain Pennington's company, guarding British prisoners at Camp Security in York County, Pennsylvania.

"He was allowed pension on his application executed February 2, 1833, then a resident of York County, Pennsylvania, where he had always lived. He died May 17, 1839.

"Tobias Sype married in the month of December, 1783 in York, Pennsylvania; Aumney or Anna Maria. Her maiden name is not stated, nor date and place of birth.

"The widow, Aumney (Anna Maria) Sype, was allowed pension on her application executed, September 13, 1839, at which time she was about seventy-four years of age and living in York County, Pennsylvania, where she continued to live in 1845.

"The following data relative to the children of Tobias Sype and his wife, Aumney or Anna Maria, are found in this claim:

- A daughter born September 17, 1784
- A daughter born September 7, 1786
- A daughter born April 21, 1787
- A son born November 20, 1789
- A son born October 2, 1791
- A son born January 3, 1793
- A son born January 1, 1795

"In 1839, their daughter, Elizabeth Syple(?) of York County, Pennsylvania, was about fifty-four years of age, and their son, John Sype, was of York County in 1843, and stated that he was born in October, 1791. Names of other children not designated."

VI ORPHANS COURT DOCKETS²

- Q, 83 8 Dec 1829. Jacob Souder, son of Christian Souder, late of Hopewell Township, deceased, states that said deceased died intestate possessed of a tract of 1) 300 acres in said township and another of 2) 105 acres, and left to survive him a widow named Sarah and the following children, viz., Rudolph, Barbara, Hester married to Jacob Shenberger, Jacob (the petitioner), Sarah married to Joseph Waltemyer, Mary married to Joseph Winemiller, and the children of Susanna, a deceased daughter who was married to Jacob Merkey, - to wit, Nancy, Elizabeth, and Christian, whose guardian is their father; and petitions the Court to award an inquest for partition. Granted.
- Q, 113 5 Jan 1830. William Spangler, Esquire, High Sheriff of York County, reports that the above lands will admit of partition, viz. - 1) valued at \$2038.26, 2) valued at \$412.96. The heirs renounce the right to accept said real estate at said valuation and an order of sale is awarded.

¹ These filed in the period 1749 to 1850 inclusive; office of the Register of Wills, Court House, York, Pennsylvania.

² Office of the Clerk of Courts, Court House, York, Pennsylvania; period 1749 to 1850 inclusive. It has not been thought worth while to report citations, continuances and appointments of auditors.

ORPHANS COURT DOCKETS (continued)

- Q, 126 9 Feb 1850. Report is made that No. 1 was sold to John Beck for \$1600, and No. 2 to Rudolph Souder at \$400. Confirmed.
- X, 475 26 Aug 1851. Jacob Souder, brother of Rudolph Souder, late of Hopewell Township, states that said brother lately died intestate, never having married, and leaving to survive him his mother Sarah, who has died since intestate, one brother Jacob (the petitioner) and three sisters, - Barbara who has died since intestate, never having been married, Esther married to Jacob Shoenberger of Baltimore County, Maryland, Sarah married to Joseph Waltemeyer of Hopewell Township, and Mary married to Joseph Winemiller of the same township; also these children, issue of a deceased sister Susanna, who died intestate, to wit, - Nancy wife of William Wheeler of Baltimore County, Maryland, Elizabeth wife of Daniel Marks of Baltimore County, Maryland, and Christian Markle of Baltimore County, Maryland. The petitioner also states that his brother Rudolph died seized of a certain messuage and tract of 111 acres 137 perches of land in Hopewell Township, and prays the Court to award an inquest for partition. Granted.
- X, 527 4 Nov 1851. Report is made that the above cannot be divided and its value is appraised at \$19 per acre or \$2125.26 7/8. The heirs refuse to accept the same at the valuation and the Court awards an order of sale.
- X, 563 4 Dec 1851. The above property was sold to S. Klinofelter and J. Klinofelter on 29 Nov 1851, for \$2375.
- Y, 41 15 Sep 1852. Court appoints H. S. Weiser, Esquire, auditor, to distribute the balance on the account of Jacob Souder, administrator of Rudolph Souder, of the sale of the real estate, also on his account as executor of the will of Sarah Souder, late of Hopewell Township, deceased, and also on his account as executor of the will of Barbara Souder, late of Hopewell Township, deceased.

There are none recorded for this surname.

IX IMMIGRANTS

1. The Pink Mary, Captain James Donn, Master, from Rotterdam via Plymouth arrived at Philadelphia 9 Sep 1733, with the following immigrants:-

Christian Sooter
Nicholas Souter
Anna Barbara Souter
Christina Souter
Hans Henry Souter, 7 years
Anna Margaretha Souter, 3 years
Maria Margaretha Souter, 6 years

The same day at the Court House in Philadelphia Christian Sooter and Nicklaus Soder took the Oath of Allegiance to King George II. ³

Chapter 10

The first part of the chapter discusses the importance of understanding the underlying structure of the data. This is particularly relevant in the context of machine learning, where the ability to identify patterns and relationships in the data is crucial for building accurate models. The second part of the chapter focuses on the various techniques used to analyze and interpret the data, including statistical methods and visualization tools. The third part of the chapter discusses the challenges associated with data analysis and the need for robust and flexible methods to address these challenges.

10.1 Introduction

In this chapter, we will explore the various techniques used to analyze and interpret the data. We will start by discussing the importance of understanding the underlying structure of the data, and then move on to the various methods used to analyze and interpret the data. Finally, we will discuss the challenges associated with data analysis and the need for robust and flexible methods to address these challenges.

The diagram illustrates the hierarchical structure of data analysis techniques. The root node is 'Data Analysis', which branches into 'Statistical Methods' and 'Machine Learning'. 'Statistical Methods' further branches into 'Descriptive Statistics' and 'Inferential Statistics'. 'Machine Learning' branches into 'Supervised Learning' and 'Unsupervised Learning'. 'Supervised Learning' branches into 'Classification' and 'Regression'. 'Unsupervised Learning' branches into 'Clustering' and 'Association Rule Mining'.
